Dear Mr. Coltrin:

The purpose of this letter is to request that LDEQ waive the applicable certification fees for the Asbestos Inspector Training and the Contractor/Supervisor Training. This waiver would be for Troy Naquin and Madlyn Ball, who are employed by our Superfund Technical Assessment and Response Team (START) Contractor, Ecology & Environment, Inc.

They would utilize this asbestos training certification only while conducting work under direction of EPA and the START contract. No commercial work would be done utilizing this training.

Thank you for your assistance in this matter. Please call me at (214) 665-2284, if you have any questions.

Sincerely yours,

Robert R. Broyles, Chief
